

HEALTH & SAFETY POLICY

The company is committed to providing and maintaining a healthy and safe working environment for all of our employees, customers, visitors and others who may be affected by our activities.

To achieve this, the company will provide such information, training, supervision and resources as is necessary, but the co-operation of all employees and contractors is essential to eliminate accidents, illness and lost time from the work place.

The management considers this duty to be the responsibility equal to that of any other management functions.

It is our aim to:

- Develop a positive Health and Safety culture involving all employees in the process;
- Improve continuity on our Health and Safety performances by carrying out regularly reviews and implementing any action required;
- Provide adequate resources to ensure the full implementation of this policy;
- Achieve a level of Health and Safety comparable with the best performers in the Waste Industry;
- Comply with and exceed statutory requirements;
- Encourage co-operation in risk reduction initiatives;

Signed
