

QUALITY POLICY

F & R Cawley Limited is committed to providing a consistent, high quality and comprehensive range of waste management services in accordance to the requirements of its customer. The provision and operation of these services shall be arranged in order to satisfy corporate goals and the requirements and expectations of the customer

Company policies regarding equal opportunities cover race, gender and disability. Operations are conducted to maintain these policies and those concerning health and safety. This includes the commitment to compliance with relevant statutory requirements.

The achievement and maintenance of these policies is effected by the implementation and maintenance of a formal Quality Management System that ensures a systematic and disciplined approach by all staff, in all activities associated with providing the services.

Cawleys is committed to the operation of the Quality System in compliance with the latest edition of BSEN ISO 9002. The associated Quality Manual, Operating Procedures and Working Instructions define all operations throughout the organisation. Data is collected and presented in a documentary form to substantiate compliance.

The Company Quality Management Representative is authorised and responsible for the effective implementation and maintenance of the Quality System.

This Policy represents our commitment to the principles of Quality Management and the concept of BSEN ISO 9002.

It is part of our Staff Training Programme that the Quality Policy and objectives are communicated, understood, implemented and maintained at all levels within the organisation.

Signed

J.Cawley
Managing Director
